

# Meredith Corporation's Daily Paws Names Besa the Bulldog Winner of Inaugural Pet Etiquette Fails Photo Contest Sponsored by Mars Petcare's GREENIES™ Brand

## Top Dog Picked From More Than 600 Submissions of Good Dogs Who Sometimes Mess Up

DES MOINES, Iowa and NEW YORK, Dec. 21, 2020 /PRNewswire/ -- [Meredith Corporation's](#) (NYSE: MDP) [Daily Paws](#), a new digital media brand that inspires, entertains, empowers and educates America's growing number of pet parents and which surpassed 1 million monthly site visits in November, fewer than three months after launch, today announced Besa the Bulldog as winner of its first-ever Pet Etiquette Fails Photo Contest sponsored by [Mars Petcare's](#) GREENIES™ brand. The contest recognizes good dogs who sometimes mess up, such as taking mud baths or playing with toilet paper. For more information on the contest and to read about the winner, visit [dailypaws.com/etiquettecontest](http://dailypaws.com/etiquettecontest).

"All dogs are good boys and girls! They just sometimes forget their manners," says Karman Hotchkiss, Editorial Director for Daily Paws. "We editors had a wonderful time looking at the hundreds of submissions to this contest. Dogs are endlessly entertaining, and it was really hard to narrow down the list to the 10 finalists. I'm glad that voters had the task of getting those 10 down to one final winner."

Besa the Bulldog, now 15 months old, from Bellingham, Washington "is obsessed with toilet paper," according to her pet parent, Cheryl Knapp. "Of course, it's hard to be mad for long with all of this incredible cuteness!"

"The Pet Etiquette Fails Photo Contest was a fun way to show off all the goofy, loveable quirks our pets have and the smiles they bring us, which we celebrate daily with the GREENIES brand," said Beth Drew, GREENIES™ Brand Manager. "Dogs don't always know what's good for them - and sometimes that leads to some bad manners like a chewed sock or a bumped vase - but luckily pet parents do and can care for their dogs with positive attention, great food and nutritious dental treats."

Daily Paws received more than 600 submissions from pet parents who shared their photos and wrote brief essays about the story behind each image. Daily Paws editors narrowed the pool down to 10 finalists based 50% on originality of story, 30% on quality of photo and media provided, and 20% on thoroughness of entry completion. The winner, chosen by Daily Paws' audience, receives a \$2,500 grand prize plus a one-month supply of Mars Petcare's GREENIES™ Dental Treats.
