

Travel + Leisure Honors Those Making Strides In Responsible Travel And Sustainable Living

Global Vision Awards 2021 Announced Today

NEW YORK, March 18, 2021 /PRNewswire/ -- [Meredith Corporation](#)'s (NYSE: MDP) Travel + Leisure announces the 30 honorees of its Global Vision Awards 2021, recognizing changemaking individuals, companies and organizations that are creating more sustainable and responsible travel products, practices, and experiences. Spotlighting meaningful efforts to preserve, enrich and change the traveler's world for the better, the Global Vision Awards are featured in the April issue of Travel + Leisure and at travandleisure.com/globalvision.

Travel + Leisure Editor in Chief Jacqui Gifford said in her April issue Editor's Letter, "The mission of the Global Vision Awards has never been more relevant. Everything we love about travel—the broadening of perspective it brings, the exposure to new ideas and people, to unfamiliar tastes and sounds and smells—remains the same. What has shifted, or perhaps accelerated, since the start of the pandemic is our understanding that there is no more time to waste: we must protect the health of the earth and its people. Travel providers have a responsibility to do so, and as consumers, our dollars and our time (another precious resource) should be spent on brands that share our values."
