NEW YORK, May 30, 2024 [/PRNewswire/](#) -- Today, PARENTS announces the debut of [Familia by PARENTS](#), its new community created to celebrate and support Latine families and caregivers everywhere. Familia by PARENTS launches with more than 20 stories as well as a dedicated social media presence across multiple platforms.

"As a Latina mom, I know firsthand how important it is to cultivate authentic connections and build a support network when you're raising multicultural children," says Grace Bastidas, editor in chief of PARENTS. "Familia by PARENTS is an inclusive and multigenerational community that brings Latine caregivers closer together, bolsters cultural pride, and encourages families to honor and celebrate their heritage with the next generation."
